

YEARBOOK

Express pride, love and congratulations to the soon-to-be WHS graduate in your life with a personal ad in the yearbook. Select the desired size and personalize the ad with your own message and photo(s).

Two ways to order your family message!

Option 1. To design & pay for your ad online, visit www.yearbookordercenter.com & enter order number 4263. Choose **Buy a Yearbook Ad**. Tech support is 1-877-362-7750 just in case! Through this method, you will both design and pay online, and you don't need to email us anything.

Option 2. Pay by check and design your own! Check out the attached page for a **SUPER EASY collage making website!** For \$2.99 you can build a really funky collage that you would then email to us (and physically mail us your check for payment!) OR email us your pics & message to parentadswhs@gmail.com & send us your check to have us build an ad for you! We're here to help - just get us pictures and a message and payment and we'll make it happen for you! When you email us, please tell us your student's name & the size of your ad!!!

- If you are curious about how ads have been designed in the past, please take a look at a prior year's yearbook. If you are stuck, we are happy to design it for you - just email us your pictures & text.

- Please do NOT send in Word, PowerPoint, or Publisher files, as these do not work for professional printing. Please don't send us valuable hard copy photos!

- If you choose to do Option 2 (above), please don't forget to mail a check to the school to pay for your space (address below.)

- All ads will be kept secret until the yearbooks are distributed in the spring. You may share larger ad space with another family.

wish you knew how to **MAKE YOUR OWN AD?** give this a try!

We recommend using a great collage-making website called postermywall.com that allows you to build high resolution collage pages filled with as many pictures as you wish. For \$2.99 you can download a high-res version of your design and simply send it to us! Go to this website and build your design for free; you only buy it if you like it! Give yourself a few minutes to play around with the dragging of photos and the manipulation of text, and you'll be amazed at what you can do. And once you've built the ad that you like, simply pay for the \$2.99 version of it and give that to us!

- 1 Go to www.postermywall.com & click on "Create A Design" on the homescreen.
- 2 On the right, you'll see an option to "Start From Scratch". Choose this!
- 3 Decide what size you would like your ad to be and select the appropriate design type.
 - Full Page - Select FLYER
 - Half Page - Select POSTER
 - Quarter Page - Select FLYER
 - Eighth Page - Select POSTER
- 4 This step is CRITICAL. Indicate whether your space needs to be horizontal or vertical.
 - Full Page - Select PORTRAIT
 - Half Page - Select LANDSCAPE
 - Quarter Page - Select PORTRAIT
 - Eighth Page - Select LANDSCAPE

- 5 After you have chosen the orientation of your ad, choose the background color by selecting "Solid Colors". Pick your color and hit "Apply". No need to stress about this color now, you can always change it while you are designing your ad.
- 6 Now you're ready to create. Click on "Photo" or "Text" to add items to your page. You can also choose the "Background" button to change the background color of your ad. Get playing and have fun! When you're done, choose the "Download" button in the upper right and pay for the \$2.99 version of your file.

- 7 You'll see a button after you pay \$2.99 that says "Download JPG File". Please download this high-res file and email it to us at parentadswhs@gmail.com!
